

**Policy Concerning Approving the Transfer of Units in a  
Concurrent Degree Program with Another Institution**

With respect to a proposal from a School Dean concerning a concurrent degree program between CGU and another institution, the proposal can be approved by the Provost if the degree program (a) is not a new one and (b) involves no changes in academic content, and (c) if the proposed transfer units do not exceed 16 units for a CGU Master program requiring 48 units or above. Otherwise, the program must be reviewed by ASC and approved by CGU faculty.
