WELCOME TO CLAREMONT GRADUATE UNIVERSITY

Claremont Graduate University (CGU) is a comprehensive university devoted entirely to graduate-level education. Students can earn master’s and doctoral degrees in more than 20 disciplines on our 19-acre, tree-lined campus.

THE GRADUATE UNIVERSITY OF THE CLAREMONT COLLEGES

Our cooperative relationship with the adjacent Claremont Colleges (Claremont McKenna, Harvey Mudd, Keck Institute, Pitzer, Pomona, and Scripps) provides access to a broader array of faculty and resources than is typical of a university with around 2,200 students.

TRANSDISCIPLINARY STUDIES

CGU emphasizes a transdisciplinary approach to education, encouraging students to pursue research interests from diverse academic perspectives in order to address issues and solve problems through the dynamic synthesis of a wide body of knowledge.

35 MILES EAST OF DOWNTOWN LOS ANGELES

The city of Claremont—only 35 miles away from Downtown LA—provides a balanced complement to the unmatched cultural vibrancy and fast-paced life of Los Angeles. Claremont is a secure college town, offering excellent public schools and community services. The year-round, near-perfect weather draws its residents out onto the tree-lined streets or inspires a short drive to the natural wonders of Southern California’s mountains, beaches, and deserts.
