Welcome to Claremont Graduate University (CGU)! After you are admitted you will need a student visa in order to enter the United States to study. As part of the visa application process, you must have either a SEVIS I-20 form (for an F-1 visa) or a SEVIS DS-2019 (for a J-1 visa) issued by CGU or your sponsor. **Verification of adequate financial support for twelve months must be submitted to the International Student Coordinator before a SEVIS I-20 or SEVIS DS-2019 can be issued to you.**

**Directions/Guidance for Submitting Acceptable Financial Statements**

To assist you in completing the Affidavit of Financial Support, you will find a brief description of possible sources of support. While CGU does not require proof of financial support beyond the first twelve months of enrollment, you should carefully consider how you will support yourself during subsequent years of enrollment.

**Personal savings** - If you have sufficient savings of your own and intend to use it for all or part of your financial support, please indicate the name of your bank in the space provided on page 3 and provide a bank statement verifying funds.

**Parents and/or sponsors** - If your parents, or others, are willing to sponsor all or part of your studies, they should indicate the amount of funds they are making available to you and sign the Affidavit of Financial Support form (or submit a letter stating they will sponsor you for the amount indicated) in addition to submitting financial statements.

**Employer, government or international organization** - Should you be sponsored by an employer, government, or scholarship organization, please indicate the name of the agency on page 3 and include a letter of award signed by an authorized representative. The letter of award should provide us with the following information:

a) Will the sponsoring agency assume your full expenses for tuition and fees? Please Note: CGU will not bill your sponsor automatically. You will be responsible for providing your sponsor with your Student Account information.

b) Will it provide you with living expenses? If so, how much?

c) Is the sponsorship valid for a specific time span (i.e. 2 years) or is it renewable until the degree is awarded?

d) Will extra support be given if your spouse and/or children accompany you? If so, how much?

**Institutional aid** – Please list any tuition fellowship, assistantship or stipend awarded to you by CGU on page 3.

**Other** - If you have other sources of support be sure to enclose statements verifying the accuracy of this entry. For example, if you intend to stay with family or friends who live near CGU, you must submit a notarized statement indicating that you will provide room and board for the duration of your studies.

You must submit a bank statement or signed letter from a bank official verifying the amount in AVAILABLE USD you have indicated for each statement made on the Affidavit. Remember:

- We cannot accept future funds (i.e. paychecks or accounts where funds are restricted until a later date) or other forms of unavailable funds (i.e. stocks/bonds, trust, Money Market/CD, life insurance, housing allowances, etc.). To ensure uninterrupted processing, fund statements should be one of the following 4 types: checking, savings, time deposit (maturity reached), or demand deposit.

- All support documents must be dated no earlier than 7 months from the date your I-20/DS-2019 is issued.

- All financial statements should be in English, however, we can calculate the exchange rate if the amount is listed in a foreign currency.
