CGU students must use this form to enroll in courses offered by the five undergraduate Claremont Colleges (5C). Permission of the instructor is required to enroll in any 5C course. Courses that have been reviewed and added to the department’s Schedule automatically earn graduate credit. All other courses require department review and approval to earn graduate credit.

- Use this form for a maximum of two 5C courses.
- Indicate the CAMPUS as CMC (Claremont McKenna), HM (Harvey Mudd), PZ (Pitzer), PO (Pomona), or SC (Scripps).
- You must obtain the signature of the instructor offering the course as permission to enroll in the course.
- Submit the completed form to your department for processing.
- For courses that do not already appear in the CGU Schedule of Classes, department approval is required for the course to earn graduate credit. Courses that are not approved are listed on your transcript but earn 0 units.
- Departments must submit completed forms to the Registrar’s Office no later than the Add/Drop deadline for the semester.
