CGU students may enroll in courses offered by the Claremont School of Theology (CST) with the permission of both the student's department and the instructor of the course. Students may enroll online in courses that are already listed in the CGU Schedule of Classes. This form is used to enroll in CST courses that are not available on the CGU Schedule of Classes.

- Check the CGU Schedule of Classes to determine if the CST class has been added to the offerings of the School of Religion. You may be able to enroll in these classes directly through the portal.
- Complete and approved forms must be submitted to the Registrar’s Office so that CST courses can be coded and added to your CGU transcripts.
- To avoid late fees, submit this form to the Registrar’s Office by the Add/Drop deadline for the semester of enrollment.
