

**McNair Scholars Program**  
**Claremont Graduate University**  
***Research Progress Report***

Name of McNair Scholar \_\_\_\_\_

Name of Mentor \_\_\_\_\_

Title of Research Project \_\_\_\_\_

---

Please reply to the following questions with detailed responses.

Have you met with your mentor? How many times? How often are you scheduled to meet?

Please comment on your relationship with your mentor.

Describe in detail your progress on your research.

Has your mentor expressed any concerns regarding your research?

Do you have an outline for your research? Please attach the outline.

What are your proposed milestones?

Is your research project a qualitative or quantitative research project?

Describe how you will collect data and how you will analyze your data.

Will your research include a survey? If yes, have you submitted a proposal to your campus IRB committee for approval? If so, please attach a copy of the proposed survey and the IRB proposal.
