

**Can the Office of Career Management facilitate research efforts related to my career search?**

Yes. All CGU students are invited to use the MonsterTrak® and InterviewTrak® online job search and interview scheduling service (call the Office of Career Management for details at 909-621-8177). Alumni have access to MonsterTrak® only. In addition, the Office of Career Management maintains subscriptions to online databases that students and alumni can use to filter potential employers and networking leads by area of interest.

We can provide you with an id and password to the CareerSearch database of 2 million + organizations so you can continue to refine and fine tune your research. In addition, the Office of Career Management maintains files of job listings by economic sector and a resource library of career – related materials that are available to you on a drop – in basis.

In addition, our staff can provide you with a list of printed materials and internet sites relevant to your area of specialization.
