Cross-Functional Management for Future Leaders With Virtual Business Professional (VB Pro)

An Online Experiential Multi- and Cross-Functional Executive Program: From an Idea to a Globally Diversified B2C and B2B Company

- Designed for functional specialists who aspire to move into general management.
- Self-paced, individually-run, knowledge and judgment focused, and instructor-led feedback intensive online discussions.
- Certificate of Completion from Drucker School of Management in just 6 months, 3-5 Hours a week.
- Essentials of a core MBA program together with Peter Drucker's holistic management philosophy and Rajiv Grover's virtual business pedagogy.
